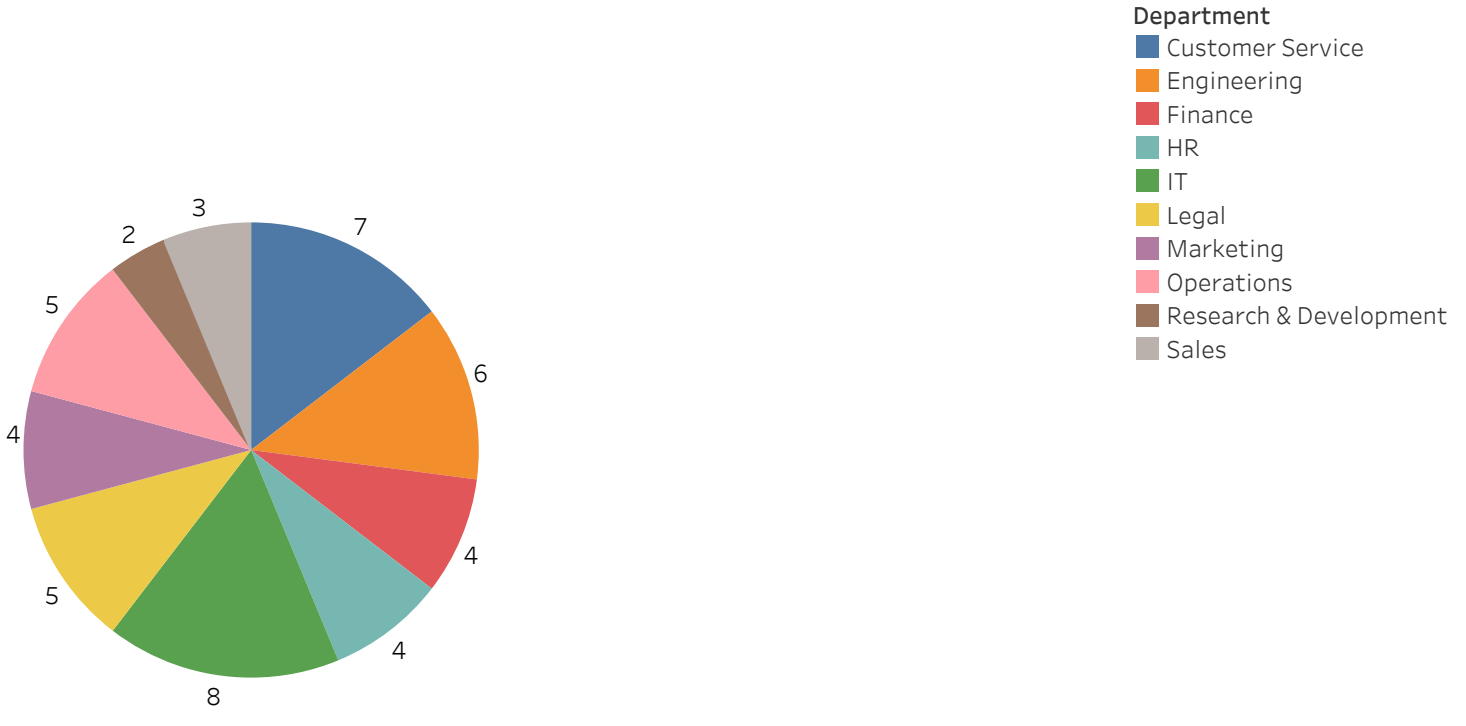
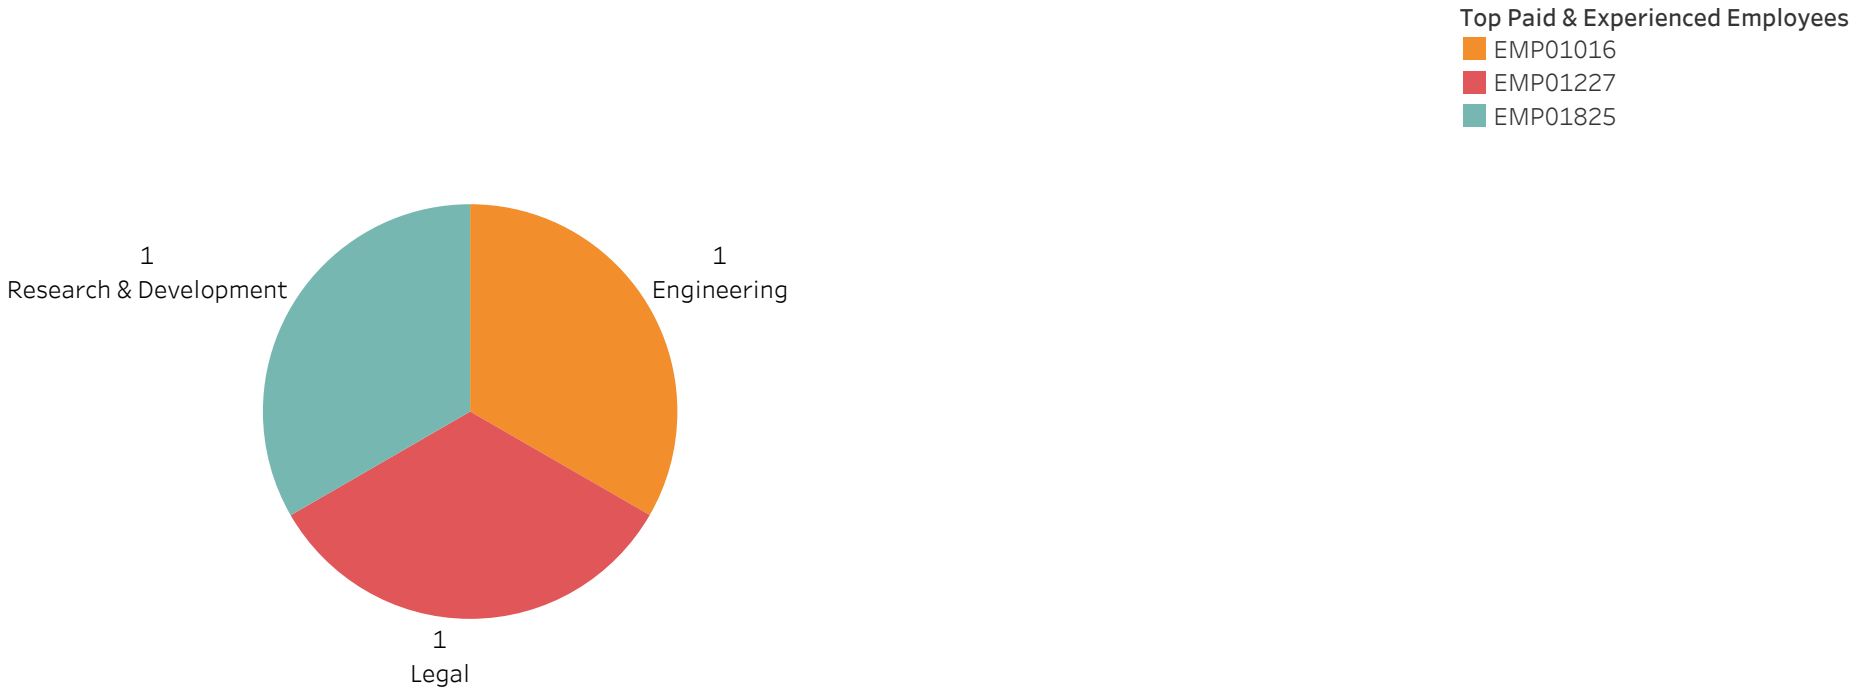
ATTRITION BY DEPARTMENT



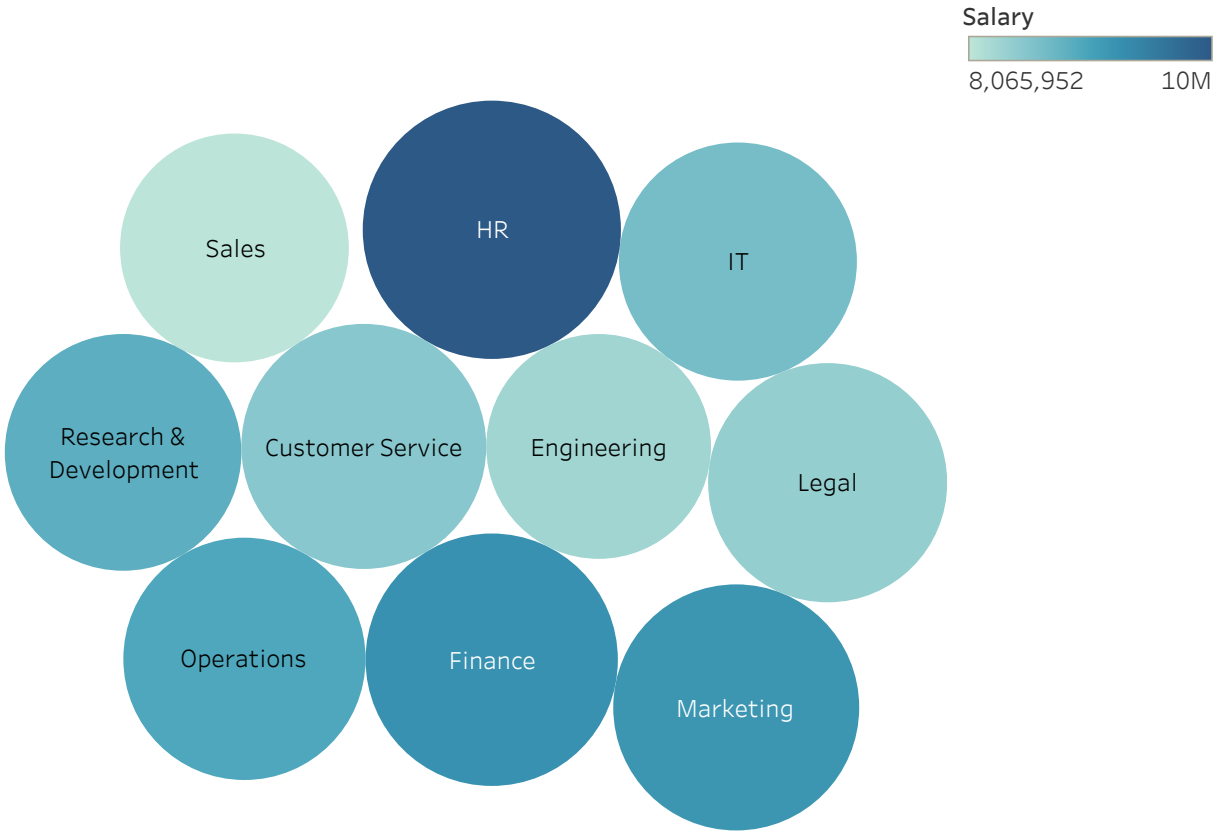
This pie chart shows the proportion of employees who left each department. Drill-down is enabled via hierarchy, and key departments are highlighted using sets

Top Paid & Experienced employees



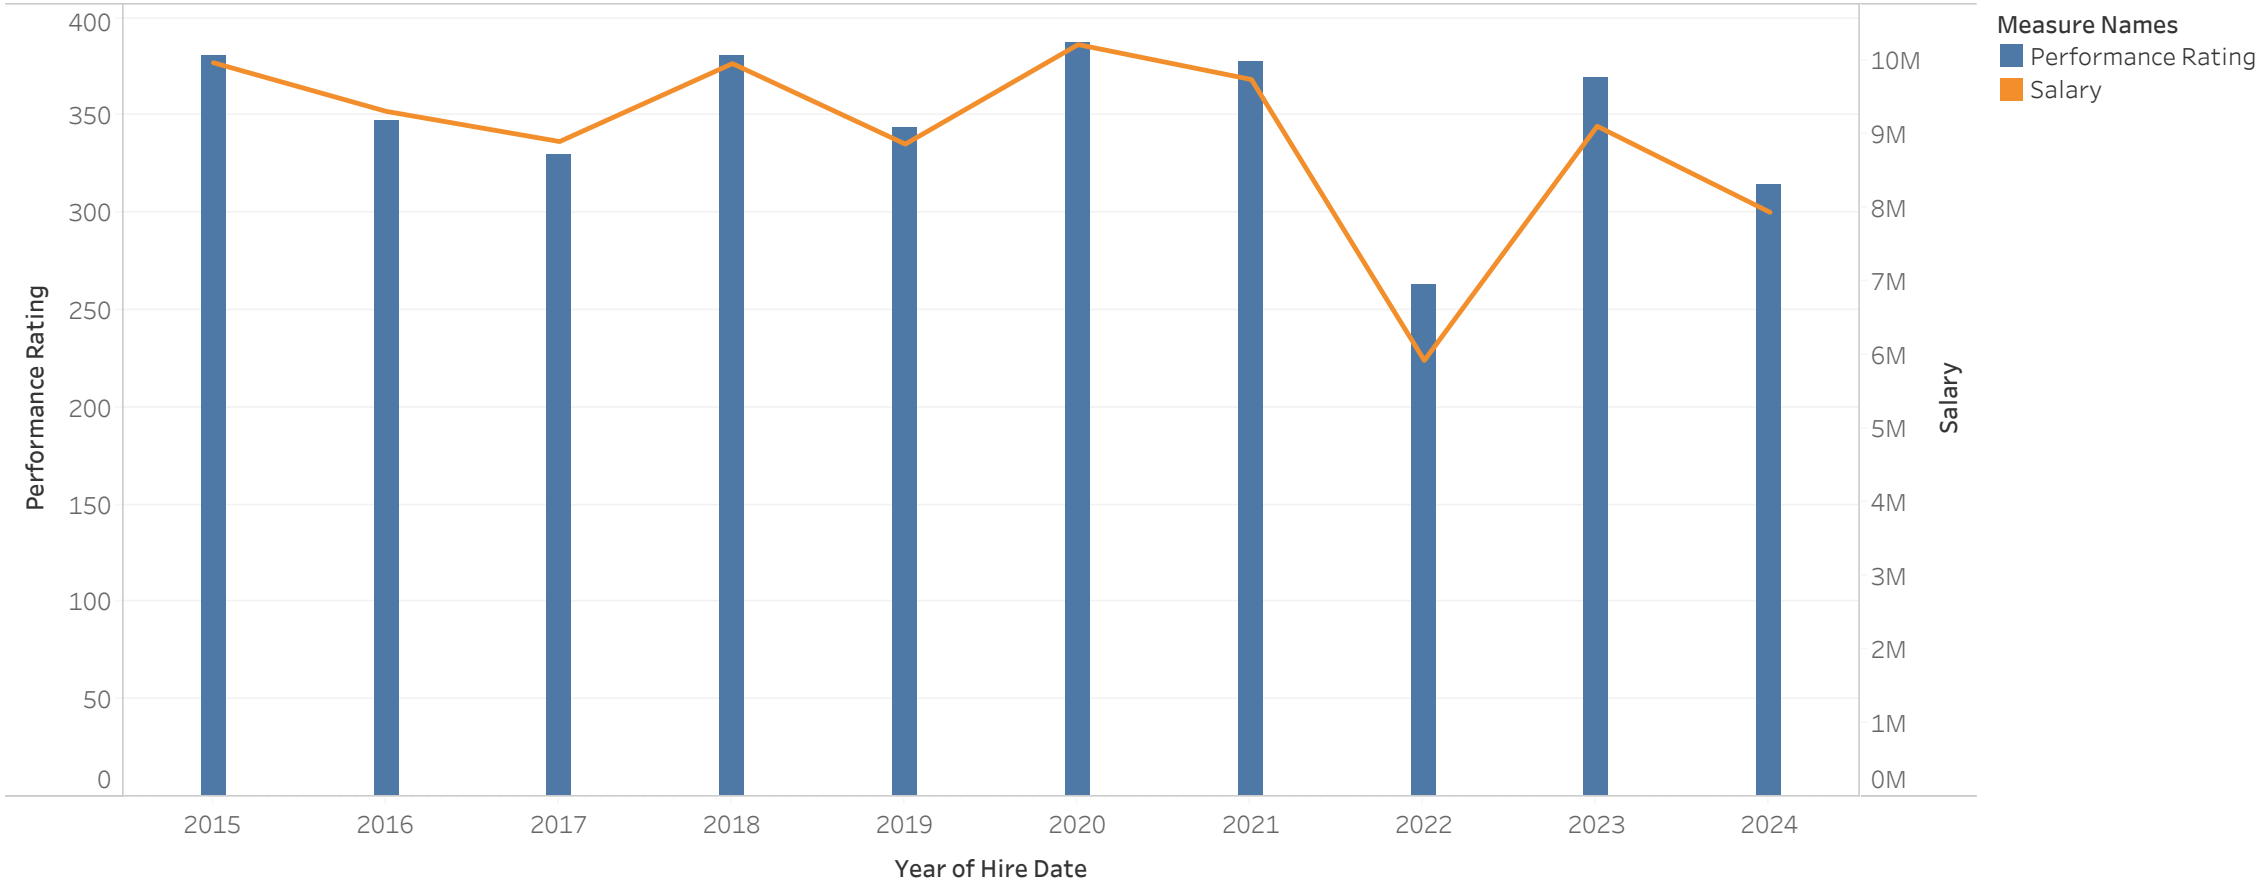
This pie chart shows the distribution of employees across job role groups. Top Paid & Experienced employees are shown.

Performance Rating And Salary by department



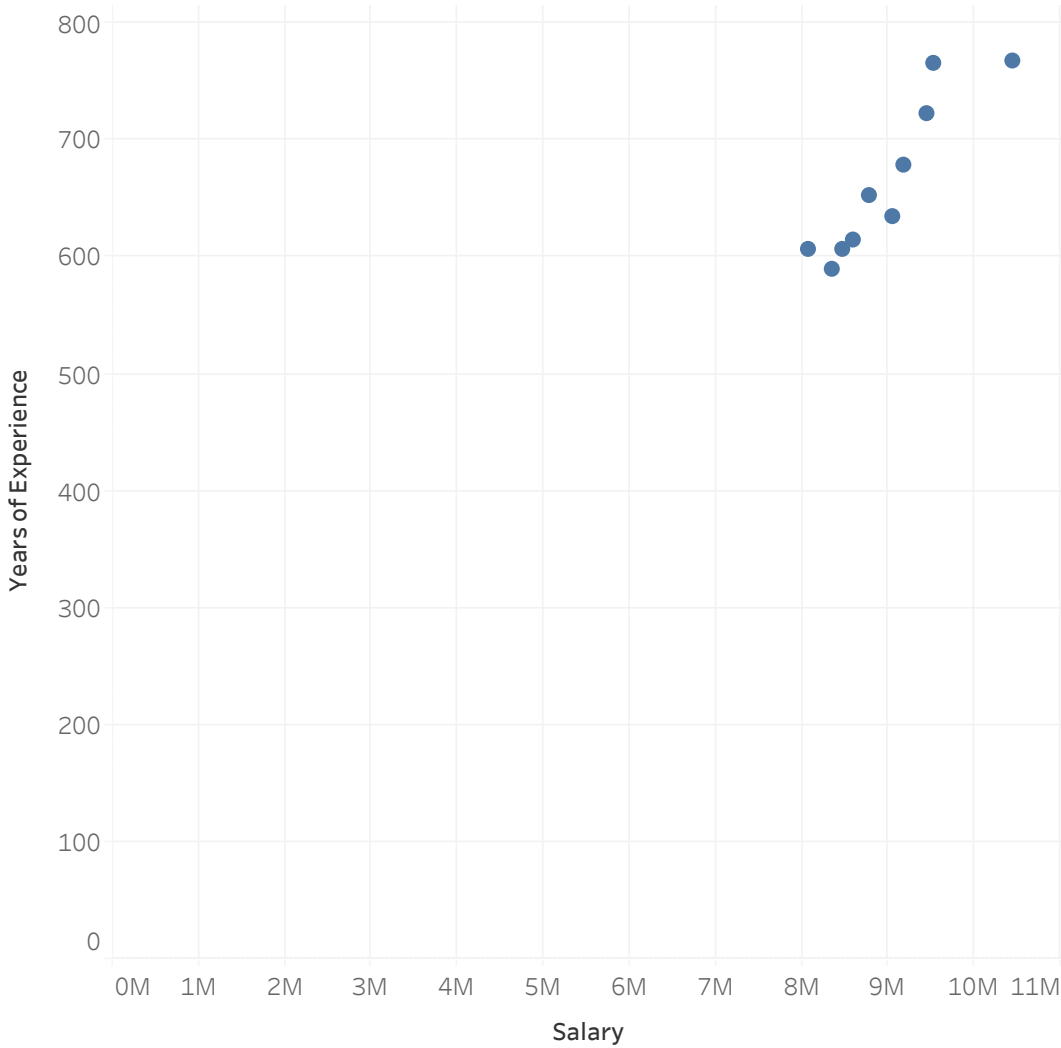
Color shows sum of Salary. Size shows sum of Performance Rating.
The marks are labeled by Department.

Performance Rating And Salary by Year



The trends of Performance Rating and Salary for Year. Color shows details about Performance Rating and Salary.

EXPERIENCE VS SALARY



This scatter plot shows the relationship between employee experience and salary. Herarchy allows drill-down to view details by job role and employee.
